

♥ Bella's Reading Adventure ♥

Keep reading—one step at a time!

Come Read With Me!

Each time you read, color in one
stepping stone.

Read by yourself, read with someone,
or listen to a story.

Every kind of reading counts!

Take your time
with tricky words.

Asking for help
is part of learning.

Keep going—
you've got this!

For grown-ups: Reading together counts!

This adventure is about celebrating time with books—
not how fast or independently a child reads.
